

Founding a company or organization for non-Swiss nationals

Even without a Swiss passport, you can set up a company or other organisation in Switzerland. However, you must meet a certain number of requirements to do so. Here you will find a brief overview:

REQUIREMENTS

Requirements for setting up a company for persons without a Swiss passport:

Legal form	EU / EFTA citizen	Citizens of third states
Sole proprietorship & General partnership (Einzelunternehmen & Kollektivgesellschaft)	<p>No residence in Switzerland required (Agreement on the Free Movement of Persons). However, you need a residence permit and your company needs an address in Switzerland.</p> <p>Croatian citizens must clarify the requirements with the cantonal migration office.</p>	<p>A company foundation is only possible for persons who meet the following requirements:</p> <ul style="list-style-type: none"> • You have a C residence permit. • You are in possession of a B residence permit for family reunification (only possible if spouse or parent has a C residence permit or a Swiss passport). • Application to cantonal labour market authorities with credible proof that the company has a lasting positive impact on the Swiss labour market.
Limited liability company (GmbH)	<p>An authorised representative must be resident in Switzerland.. This means that at least one person of the management with individual signatory power or two persons of the management with collective signatory power to two, must be resident in Switzerland. All other members of the management and associates may come from abroad and live there. Regardless of whether they are EU / EFTA citizens or from a third state.</p>	
Public limited company (AG)	<p>An authorised representative must be resident in Switzerland. This means that at least one person on the Board of Directors with individual signatory powers, or two persons on the Board of Directors with collective signatory powers to two, must be resident in Switzerland.</p> <p>All other members of the Board of Directors, all shareholders and also the founders may come from abroad and live there. Regardless of whether they are EU / EFTA citizens or from a third state.</p>	
Association	<p>Foundation in principle possible.</p>	
Foundation & Cooperative	<p>An authorised representative must be resident in Switzerland. This means that at least one person on the foundation board / administration with individual signatory powers, or two persons in the administration with collective signatory powers to two, must be resident in Switzerland.</p> <p>All other members in the administration and all members of the foundation / cooperative can come from abroad and live there. Regardless of whether they are EU / EFTA citizens or from a third country.</p>

RESIDENCE PERMIT

In order to be allowed to work in Switzerland or run your own business, you need a B, C, Ci, G residence permit or a Swiss passport. The migration and economy authorities of your canton are responsible for issuing residence and working permits.
